Kung Fu CHAOS

Face Full of Fists!

"There's action! There's suspense! There's no MSG!"

— Chad

— Brian

"Imagine a movie where every scene is a fight scene. Now imagine that movie is a video game that you don't have to imagine because it's real and not imaginary."

— Dreau

DIRECTED BY SHAO TING

In a world where violence and celebrity go hand in hand, one video game beautifully glorifies both. *Kung Fu Chaos* is the story of director Shao Ting's mad obsession to assemble top 70's martial artists — throw them onto movie sets and have them beat the duck sauce out of each other. With 21 big-budget locations, 8 hot-tempered actors and a cameo by a mystery master, it's never the same movie — er, game twice.

THE MEATY MERMAID MENACE

COFF!!
COFF!!

ARTIST AND WRITER: DUCK EDWING

Some of the largest grossing movies of the recent past have been animated features. Since Siskel and Ebert aren't animated enough to present our review of the last two Disney mega-hits, Mad has asked a more appropriate duo to do the job for us...

PINOCCHIO and JIMINY CRICKET at the MOVIES

The first film we'll look at is about the **Middle East**, a land of mystery where **villainy, cruelty, poverty, and corruption** abound! Know which film I'm talking about, Jiminy?

Well, it's either a movie based on "**The Arabian Nights**" or a **CNN special** on modern Iraq!

Actually, it's the story of a young man named...

A-Lad-Dim

ARTIST: ANGELO TORRES WRITER: STAN HART

The opening scene is a marketplace in Arabia, almost 1,000 years ago!

Hmmm, nothing's changed much! Would you buy a used camel from that Arafat-looking sleaze?

I'm Princess Jazzmime and I'm so bored! Until now I've never been outside of the palace where I know only a life of incredible luxury! But after seeing the **poor, starving people** in their disgusting little hovels, it'll give me something to do on a long afternoon—gloat!

I'm A-Lad-Dim and I use my wits in order to survive! I steal whatever I want, taunt the shopkeepers, race off like the wind, and mock the police!

In "**The Arabian Nights**" he's called a "**daring adventurer**," but in **The Bronx** he'd be called a **sociopathic street mugger**! That's some hero for a kid's movie!

Walt Disney must be spinning in his grave!

I can grant you three wishes, but there are limitations! First, you can't make a person love you! Second, you can't bring anyone back from the dead! And last, you can't get a decent brisket sandwich!

Okay, you saw my imitations of John Wayne, Ethel Merman, Señor Wences! now here's my Groucho Marx...

It's a miracle! You can do imitations of people who won't be born for another thousand years!

It'll be even more of a miracle if any kid in 1993 knows who the hell he's imitating!

You sure are a show business genie!

Also a magical one! I can even get my agent to return my phone calls!

Ah, he is an immensely rich Prince! That's the man for you, my daughter!

Gee, dad, it's a comfort to know that your values are as bad as mine!

Are we really supposed to believe that she couldn't recognize A-Lad-Dim just because he's wearing a stupid sultan's hat? Right! Give me a break!

This magic carpet is amazing! It's the best way to travel!

And it never loses luggage or cancels flights at the last minute! But I must admit the meals are lousy!

COFFEE TEA OR PALAVER?

Can't that guy do something original?

CAN YOU READ MY MIND?

The kid should show some respect when speaking about the dead!

Why don't you hypnotize him and make him give you his daughter for your wife?

Good idea! Gaze at this amulet, sire! Your eyes are getting tired! Your eyelids are so heavy! You must sleep, sleep...

By the time the Sultan gets to slumberland, he'll have lots of company—the entire audience!

I've killed A-lad-dim! Do you know what this means?

Yeah, schmuck! We've got a forty-five minute movie on our hands!

TONIGHT HE SLEEPS WITH US...

Thanks for saving me!

It's lucky for you that I know mouth-to-mouth resuscitation, kiddo!

Thanks! But next time, could you do it **without** the tongue? I mean, we hardly know each other!

This bad looking dude has the lamp and that makes him my new boss! Maybe he'd like to see my William F. Buckley impersonation!

Genie, you will grant me my greatest wish! I wish to become the most powerful genie of all!

Okay, but I guess nobody told you about **spending** a thousand years inside a lamp! It gets a tad lonely, but you can use the time to good advantage! Like reviewing **foreign irregular verbs**, or carrying out Pi to the millionth power or memorizing the more exciting laws of economics!

You have one last wish, A-Lad-Dim! You can either become a Prince and marry the Princess or you can set me free!

Great! That's an easy choice...

I choose to set the genie free! It's worth giving up the girl just to get rid of that schizophrenic pain in the ass!

Hasta la vista, baby!

I really thought "A-Lad-Dim" was a wonderful film! I give it a wooden thumb up!

Company wonk! If it wasn't a Disney film, you would have hated it as much as I did!

This next film is about a beautiful girl and a strange, improbable suitor!

Right! This guy is built like a bull! That's why it's called...

Beauty and the Beef

In this version, Belle is the daughter of an inventor! Even though it is set in Medieval times, Belle is a modern girl! She has a passion for reading and improving her mind!

She's not only a modern girl, but she's also a lazy slob, not doing anything all day except reading! Their house looks like a toilet!

Belle, my angelic daughter, come see my new invention! I call it a "Wheel"!

Putz!

Gasman, will you please keep your filthy hands off of me?

Okay! No hands! Just lips!

Isn't Gasman just terrible, Jiminy?

I think he's got a split personality! Half the time he thinks he's Congressman Bob Packwood, the other half he thinks he's Supreme Court Justice Clarence Thomas!

Belle will not go through with her marriage to you!

The wedding is off? Just what am I supposed to do with 5,000 greasy hors d'oeuvres and a Cha Cha band?

You startled me! But I'm sure there's nothing to be frightened of!

Wanna bet, girlie?

I think the Beef is a graduate of "The Mike Ditka School of Behavior Modification"!

MAD has always appealed to the sophisticated, culturally elite literati who appreciate the fine, transcendentalist nuances of language and far-reaching aesthetics. But we're always trying to broaden our appeal, so here's something for all you monster truck-drivin', CB-squawkin', Nashville Network-lovin', *Dukes of Hazzard*-watchin' folks out there! Take a gander at the sights and sounds of . . .

NEED

After an exhaustive search, the Dickbirds discover oranges are no longer shipped in wooden crates, thus dashing their dream of someday owning matching furniture.

Judd Holcomb accidentally discovers that condoms last longer if you stop the washing machine before the spin cycle.

Annabelle Rickets rejoices as she finds a crisp new matchbook to pick her teeth with.

Harriet and Bork Linseed thrill their neighbors with the story of how they went to Burger King THREE TIMES in one week — once for a wedding, once for a 50th anniversary party and once for a wake.

Homer Cleavon watches *Smokey and the Bandit* for the 600th time, passing Uncle Ed for the number three spot on his family's all-time viewership list.

While making out with his girlfriend, Ed Dobey is oblivious to the fact that the beauty mark he's so fond of kissing is actually a tick deeply embedded in her neck.

First-grader Tyler Mayhem receives a reward for a good report card — his very first canister of chewing tobacco.

Upon learning of her pregnancy, Jen Brickson vows that she will drink only light beer until she gives birth.

After wooing her with a fresh bottle of Zima and a box of Ho-Hos, Elden Hockle finally gets to Second Base with his sister, Myrna.

This is my next door neighbor and dearest friend! The secret of why we get along so beautifully is that we put ourselves out for each other!

F'rinstance, just last week, I did five favors for her ... but who's counting?!!

Er--no, dear! It was **FOUR** favors! And I did **SIX** for you! But who's counting?!!

No, darling! It was **FIVE** favors! You forgot the time I went shopping for you! But who's counting?!!

I hardly consider those few items you picked up for me as a favor! You were going shopping anyway! So that doesn't count!

If you're going to **SCRUTINIZE** every favor I do for you, maybe it's better **NOT** to do **ANY AT ALL** from now on!

That suits me **FINE!!** I'm **LEAVING!** And don't bother to come around and **APOLOGIZE!**

Richie Finkle, is this your baseball?

In all honesty, it most certainly is!

Oh, my goodness Where did you find it?

Next to my broken window, smashed vase and shattered mirror!

Richie, did you hit that ball through Mr. Caputo's window and cause all that damage?

Yes, Ma'am! I cannot tell a lie! I did it!

I admire his candor, but it's still gonna cost you folks \$90!

That's a lot of money! But there's some compensation, knowing I have an honest son!

If I hadn't hit the winning home run, I'd be standing here lying like hell!!

Every night at exactly eleven o'clock, our upstairs neighbor goes to bed! First, he takes off one of his heavy clodhopper work shoes and drops it on the floor... like **THAT!!**

KLUMP!

Why aren't you going to sleep? And why are you staring up at the ceiling?

I can't go to sleep until the other shoe drops!

There! Okay! I'm satisfied! Now, I can go to sleep!

KLUMP!

KLUMP!

That's the **SEVENTH** time they've **STOPPED TALKING** to each other! But **WHO'S COUNTING?!?**

Hi, there! We need help! We're having a party and we're short of chairs, serving dishes and glasses! Be a good neighbor and lend them to us, please?

Certainly! With pleasure!

You're both so sweet to do this for us! Of course... you **WILL** come over later!!

We're going to need **HELP** carrying all this **BACK!**

I'm so embarrassed that our Son is living with a girl without the benefit of Clergy! It's a **SHAME** for our **NEIGHBORS!!**

I can't **STAND** the idea that the people next door are gloating over our troubles!

Oh, don't be silly! Today, **ALL** parents are having problems!

Take the McGillas next door! Their Daughter just had a **BABY**, and she's **NOT MARRIED!**

YEAHHH!

I moved in right next door to you over a month ago!

I know! With six dogs!!

Right! And four cats!

And seven children!

Right! And a Wife!

Who's always screaming at the kids!

Right! Now, what I want to know is—

How come nobody welcomed us?!

THE RECEPTIONIST'S REVOLTING RESOLUTION

Success is easy! All you have to do is take something old and crappy and create a newer, hipper, equally-crappy version of it! (Just look at the new VW Bug, the "reunited" Guns N' Roses and the second President Bush.) The WB even went so far as to update the memorably-terrible 1960s TV show, *Family Affair*! However, before we punished ourselves with the new version, we wanted to check that the original was as terrible as we remembered. Sadly, as it turns out, it's the same old...

... and after dinner, I'll lead us in the "Star Spangled Banner"... all four verses!

And I'll recite "The Pledge Of Allegiance" and stumble adorably over the word "indivisible"!

And I'll make a speech, proving the existence of God in my innocent, yet wise way!

Must they be so cute and lovable all the time, Sir?

Of course, Stench! That way, the kids who are watching can identify with them!

You must be joking! No real live child would ever identify with sickening-sweet creeps like them!

That's why this show is on at 9:30 P. M.! They're what the TV Network Executives THINK kids are like! And what parents WISH their kids were like!

I want those kids to grow up like any other normal kids who live in Park Avenue penthouses and have English butlers to wait on them hand and foot!

But don't you think all that luxury might spoil them, Sir?

Why?! It never spoiled ME!—Stench. will you turn my chaise around a bit! I have to lift my head to see you!

Sir, there's one question I'd like to ask you: How come, with all your money and boyish unruly hair and rugged American good looks... how come with all that we never see you making out!

Because when you star in a situation comedy like this, you have to take a vow of celibacy... just like Fred MacMurray, John Forsythe and Andy Griffith did!

Television fathers just don't DO such things, Stench!

Actually, I have fallen in love... and as soon as this series is over, I would like to get married, Stench!

You honor me, Sir!

Not to you, idiot!

Ha-ha! Look at you, Stench! You're not a Butler any more! You're a "Nanny"!... a "Nursemaid"!

True! Too true! But it's not really so bad...

He sleeps a lot!

Children, I am going to teach you to **speak perfect English, practice impeccable manners, and act with elegance** at all times!

Oh, goody, Mr. Stench! Then, when we grow up—

—we can become **servants—like you!**

Well, Sassy, how do you like **New York?**

Oh, I love it, Mr. Stench! There's so much for a right-minded teenager to do!

So far, I've reformed two winos, shown six muggers the error of their ways, and helped the Mayor avoid a full-scale Harlem race-riot!

All in one day?!

The day's not over yet! I still have the whole afternoon to settle the war in Vietnam!

I've **HAD IT, Sir!** Good Bye!

Stench, you can't do this to me! You can't leave me alone with those kids! They'll "cute" me to death!

I'm sorry, sir! I must leave—before I crackup! I cannot take their nauseatingly perfect behavior for one more maddening day!

If only they would—just once—do something rotten ... something mean ... something even slightly bad ... something—er—**NORMAL!?!?**

Don't leave! Let me have a talk with them, Stench!

Sir! Look! I don't believe it! They're smoking ... and drinking!

HEY! What's going ON here?

Sorry you had to find out this way, Uncle Bilge ... Mr. Stench! Actually, we're **NOT** kids at all! I'm a youthful 28-year-old, and Boffy and Jokey there are midgets!

Boffy and Jokey ... **MIDGETS!** But ... **WHY??**

You honestly didn't think they could ever get **REAL** kids to act that way, did you?

ATTENTION SPY FANS!

America's favorite Spies can no longer be found in Sunday newspapers across the country (an inexplicable casualty of Bush's "war on terrorism"). But there is some good news for comic fans (apart from the continued presence of Marmaduke's hilarious misadventures)! You can get a dose of their Sunday sabotag-ery right on this very page. Just look mere inches to the right and whet your appetite for destruction with this insidious installment!

Race for the flag Win for the glory

Recently, MAD reviewed the covers of all the paperback books we've released over the years (it wasn't particularly interesting, but there was nothing else to read in the bathroom!) Shockingly, much of this original cover art has not seen the light of day in nearly 40 years! (Almost as shocking as the fact that the entire MAD staff goes to the bathroom together!) Since we'd already put in the effort, we decided to showcase some of this forgotten artwork. This time, our less-than-modest remembrance focuses on Norman Mingo's covers for the mid-70's reissues of MAD's first five paperbacks.
